

# Visible Mending Stories Kit

To order a kit, please email [threadborn@gmail.com](mailto:threadborn@gmail.com). **Kit orders must be in by October 1.**

This is an **optional kit** for the *Visible Mending Stories* workshop that is now in October. You need to be enrolled in the class to order a kit. **Only one kit per student.**

**Kit is \$40 plus shipping.**

(I can ship First Class International for students living outside the USA)

Color palettes will be built around the hand dyed vintage doily included in the kit. If you have a color preference, I will try to honor it but understand it will be on a first come, first served basis (so order early!). If I don't have the color you'd like, I'll be in touch with other options.

Please note that the hand dyed vintage doilies from Artistic Artifacts are one-of-a-kind and come in different sizes and styles. During class, I'll suggest different stitching approaches for the different styles.

Here's what comes in your kit:

- (1) 12" x 18" piece wool blend felt for your fabric collage base
- (3) 9" x 12" pieces of wool blend felt in different colors to use as patch bases
